Public Land Order No. 7854; Revocation of Secretarial Order dated October 13, 1908; Montana;

AGENCY: Bureau of Land Management, Interior.

ACTION: Public Land Order.

SUMMARY: This order revokes the withdrawal created by a Secretarial Order insofar as it affects the remaining 100 acres of land in the Gallatin National Forest reserved for use by the United States Forest Service for the Mill Ranger Station. The Forest Service determined the land is no longer needed for administrative site purposes and the revocation is needed to accommodate a pending land exchange.

DATES: This Public Land Order is effective on [INSERT DATE OF PUBLICATION IN THE FEDERAL REGISTER].

subject of this revocation. The site was never developed and the United States Forest Service has identified it for disposal. The land is temporarily segregated from the United States mining laws by a pending land exchange proposal.
